

BEYOND THE BELL

Triad is pleased to offer safe, high quality, before and after school programming for K-5 children enrolled in Triad Community Unit School District #2 buildings. *Beyond the Bell* provides extended-day care in each of our elementary schools that successfully connects the educational school day with those additional hours that children may need to stay at school. Each building offers the ideal combination of quiet time, homework time, play time and fun.

BTB BENEFITS

- Enriching activities and homework support in a structured, nurturing environment
- Access to computer labs
- Educational and recreational projects based on curriculum themes
- One-on-one assistance to promote academic success
- Interactive opportunities to play sports and games, both inside and outside
- Breakfast (standard rates apply) and afternoon snacks (included)

BTB STAFFING

All staff members are trained, employed and supervised by Triad CUSD #2.

- A minimum of two Program Assistants are always present at each site, with a maximum ratio of 20:1.
- The Program Coordinator, Ellen Bruns, has a regular presence at each location. Parents can be confident that questions and concerns will be addressed promptly and professionally.
